## REMARKS BY

BILL

NYE,

"The Literary Generation of the Age"

OVER 500 PAGES, 150 ILLUSTRATIONS.

Handsome Bound in Salt Paper Covers.

## LAUGH AND GROW FAT.

A collection of the best writings of this great  
author, most profusely illustrated, with over  
500 pages. It is the funniest book ever pub-  
lished. Bill Nye's remarks on the subject of  
laughter are enough.

BILL NYE'S REMARKS

"I have passed through an earthquake and an  
Indian outbreak, but I would rather ride an  
earthquake without saddle or bridle than to be  
outside a successful broncho eruption.""Age brings caution and a lot of sleep-over  
experiences, but I would rather ride an earth-  
quake than to be outside a successful broncho eruption.""Too much of our hotel food tastes like the  
second day of January, or the fifth day of July.  
That's the whole thing in a few words, and un-  
less the good hotels are wiser together, we  
shall have to multiply our cemetery facilities."

PRESS NOTICES:

"When Bill Nye turns himself loose for the  
laughing belt of readers should be tight-  
strapped to prevent eruptions."—*Inter-Ocean, Chi-  
cago.*"Bill Nye always interests and entertains, his  
hearted funny nature shines through every line  
in his book."—*Pittsburgh Press.*"We believe that Bill Nye is the brightest hu-  
mourist of the day. No other man in the literary  
language can ever do away with him. He is a  
public benefactor of one of the greatest men of  
the age. We should think what will be-  
come of us when he is gone. May fate stay the  
hand of Philistine Press."You can get this book by sending us 25 cents  
if you are a paid-up subscriber to
